Conventions

This is a combined Service Manual for both the HP LaserJet 8100 series printer and the HP LaserJet 8150 series printer. The HP LaserJet 8150 series printer shares most characteristics of the HP LaserJet 8100 series printer, except where stated.

This manual uses the following conventions:

Color is used to emphasize items that are important to the material under discussion.

Bold is used for emphasis, particularly in situations where *italic* type would be confusing.

Italic type is used to indicate related documents or emphasis.

`DISPLAY` type indicates text as seen on the printer control panel display.

Commands you use on a computer keyboard or on the printer control panel are shown in KEYCAP. Two examples are SELECT, and - VALUE +.

`COURIER` type indicates text that you type on a computer keyboard exactly as shown.

Hint	Hints are used to suggest an action that might simplify the process.
Note	Notes contain important information set off from the text.
CAUTION	Caution messages alert you to the possibility of damage to equipment or loss of data.
WARNING!	Warning messages alert you to the possibility of personal injury.
